1. Our Mission

- ✓ The natural environment continue to degraded by human economic activity.
- ✓ Our challenge is to replace every industry on the planet with future better vision.
- ✓ We are going to hold "Hult Prize" at Nagaoka University of Technology to improve our planet.

2. What is "Hult Prize"?

- ✓ "Hult prize" is the world's largest social entrepreneurial platform.
- ✓ It's to solve global social problems using business.
- ✓ Every year, over 1 million students participate.
- ✓ The best idea is given million dollars.
- ✓ So, Hult Prize called "The student of Nobel Peace Prize."
- ✓ Hult Prize choose the winner through 4 stages through the year.
- ✓ Which we're going to hold is 1st stage: "On Campus Program."

Fig.2-2 Schedule of Hult Prize

3. Our Current Activity

- ✓ We held a meeting about Hult Prize for our college students.
- ✓ As Fig. 3-1, Many students attended the meeting.
- ✓ Now, even 8 teams attend.
- ✓ One team focus on mass production and mass consumption.
- ✓ We come up with ideas using design thinking.

4. Future plans

- ✓ Each team will start prototyping to realize the idea.
- ✓ And we repeat testing and prototyping to improve the planet.
- ✓ Hult Prize On Campus @ Nagaoka University of Technology will be held at December 8.
- ✓ Please come to see this contest and see the moment when entrepreneurs are born.
